

Newington Youth Adult Council & Lucy Robbins Welles Library present
a free program on what you & your teens need to know and hear!

The Developing Brain and Youth High-Risk Behaviors

Presenter, Yifrah Kaminer, MD, MBA

The discussion will include the topic of young drivers.
Parents and their teens are encouraged to attend.

April 27, 2009 7:00pm

Lucy Robbins Welles Library

Community Room

95 Cedar Street, Newington

To register, contact the Library at 665-8700

As co-director of research in the Division of Child & Adolescent Psychiatry, Yifrah Kaminer, M.D., has spent years studying risky behavior in kids. In his dynamic presentation, Dr. Kaminer will focus on the need to consider the developmental roots of high-risk behaviors in young people.
